Article 56 paragraph 1 item 2 of the Public Offering Act – current and periodic reports

Text of the report:

Pursuant to § 38 paragraph 1 item 3 of the Regulation of the Minister of Finance of 19 February 2009 on current and interim reports published by issuers of securities and on conditions for recognition of information required by the non-Member State regulations as equivalent, the Management Board of SCO-PAK SA ("Company", "Issuer") hereby announces that on this day they received the confirmation of the contract with Boxpol Bochenek Spółka Jawna with its registered office in Dąbrowa Górnicza ("Boxpol"), and therefore the Issuer informs that the value of trade with Boxpol in the period from 1 January to 30 June 2015 exceeded the amount of PLN 6.8 million. The cooperation between the Parties is based on contract documents. Boxpol supplies waste paper, coal dust and paper and at the same time buys cardboard and paper. Settlements for supplies are in accordance with the market rules and rates. The contract neither provides for the liquidated damages nor is dependent on the fulfilment of any precedent or subsequent conditions.

The transaction with the highest value took place on 19 January 2015 and concerned the supply of coal dust. The gross value of the transaction amounted to PLN 491,840,10.

The criterion for recognition of the aforementioned contracts as significant is the fact that the value thereof exceeded 10% of the Issuer's revenue for the past four quarters covered by the reports.
